

HARD RED SPRING WHEAT

2022 SEED GUIDE

NORTHERN PLAINS

SUPERIOR GENETICS
PREMIUM VARIETIES

Limagrain 

Call us wheat geeks.

We consider it a
badge of honor.

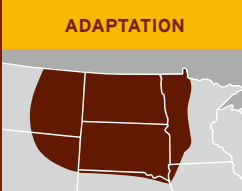

At LCS, we're really into wheat. When we're not knee-deep in the field, we're inspecting the newest crosses, pouring over trial data or testing flour in the quality lab. Our quest to bring the best wheat in the world to Northern Plains farmers is all-consuming and never-ending. We wouldn't have it any other way.
